Dear Jeanne,

Enclosed is check in payment of the monument.

We went down to Waterloo Thursday night right away to look it  
and it and are very pleased with the monument.

Thank you very much for the courteous treatment given to Eleanor  
and me. I know of no one I have ever enjoyed doing business with  
more than with you folks. Of course buying a monument isn't  
the easier or most enjoyable thing to do but you folks made the  
job much easier.

We shall be pleased to recommend your company to our friends.

Very truly yours,

STAN TRACHTE
